The Frontier League is a professional, independent baseball organization located in the Midwestern United States. It operates mostly in cities that are not served by Major or Minor League Baseball teams and is not affiliated with either. The league formed in 1993 and is the oldest active independent league. To be eligible to play in the Frontier League, you must have completed your eligibility in college and may not have attained 27 years of age prior to Jan. 1, 2018. The rain date will be April 1, if there is inclement weather both days, it will be moved to an indoor facility.
