The Frontier League is a professional, independent baseball organization located in the Midwestern United States. It operates mostly in cities that are not served by Major or Minor League Baseball teams and is not affiliated with either. The league formed in 1993 and is the oldest active independent league. To be eligible to play in the Frontier League, you must be at least 18 years old to play and must have been born on or after October 1, 1992 to be eligible. The rain date will be March 17, if there is inclement weather both days, it will be moved to an indoor facility.
